TINY WHOOP
BUILD, FLY & TAKE HOME
WORKSHOP

@ CICERO SENIOR CENTER – 5924 LATHROP DRIVE, 13039

\$400* – covers the cost of a complete drone kit

Sign up now for an afternoon of Tiny Whoop! Learn to build & fly your very own beginner drone and take home a kit that can grow with you in the hobby. Our volunteers are set to help a new group of drone enthusiasts to increase our numbers and help make Tiny Whoop racing sustainable. This program is being presented in partnership with the Town of Cicero Parks & Recreation Dept.

\$400*

Build, Fly & Take Home A Complete Hobbyist Kit: drone, transmitter & goggles!

Don't miss your chance to join other MultiGP Tiny Whoop racers in Central New York!
