

Join us for a day of fired-up drone competition!

Forest Fury high school level teams will attempt to:

- Navigate at low altitude through forest trail checkpoints and obstacles
- Deliver fire suppressants to hot spots using thermal imaging
- Deliver supplies to firefighters using a locational beacon
- Land on and take off from unsteady mountain surfaces
- Activate a zip line delivering a forest ranger from a fire tower to a safe zone
- Map a Hiking Trail
- Rescue hikers from an eminent mud slide
- Return to a moving rescue vehicle
