

CNY Drones

CNY Drones is Central New York's volunteer group providing STEM-focused experiences that spark and maintain interest in drone technology. Our goal is to encourage exploration of the educational and employment pipeline created by New York State's UAV Test Site and Corridor.

CNY Drones is affiliated with the Academy of Model Aeronautics (AMA) as New York State's first Model Aviation Student Club (MASC). www.modelaircraft.org

CNY Drones is the New York State Affiliate for US Drone Soccer. <https://www.cnydrones.org/programs/us-drone-soccer>

CNY Drones @ RoboSpartans Robotics is a 501©3 under the Griffiss Institute, Rome New York. Website, social media accounts & the many programs planned by CNY Drones are made possible by a great group of dedicated volunteers from our regional recreational and commercial drone community along with sponsor funding.
