The following are 2 ways to get to the SUNY Polytechnic Institute Campus from Thruway Exit 31. Please review all information. They show varying degrees of detail. Compare them with your preferred app. There is a good chance they will differ.

Photo 1 below shows a view after exiting the (former) toll booth. The address, 344 N. Genesee Street, is approximately at the end of the ramp shown in Photo 1 & Photo 2. Depending on the app used, there are at several ways to get to campus. Either of the following use major roads vs. local routes. Both lead to the main parking area – LOT C, closest to the Student Center. Closer parking is available in Lot P and S. We anticipate Lot P to fill very early. To reach Load-In/Load Out or Team Drop-Off - use the Campus Map provided and follow Technology Drive to Wildcat Field House.
